

1. Remove stereo head unit from the dashboard per manufacturer's instructions. This may require the use of a special "DIN" tool. Contact auto manufacturer for details. Disconnect stereo wiring harness and antenna wire from back of stereo.
2. Position dash pod in the desired mounting location to mark where four retaining holes will be drilled. Drill four holes in dashboard using a $\frac{9}{32}$ inch drill bit.
3. Install the gauges in the dash pod and run wiring choosing the following two options:

Option 1: Run wiring out the back of the pod through the pre-molded wire channel, down the back of the dashboard, and through the firewall.

Option 2: Make a small hole in the dash underneath the Dash Pod and run wiring down and out through the firewall.

NOTE: Installing this Dash Pod with mechanical pressure gauges may require 12ft. nylon tubing kit model 3226 (not for use with fuel pressure gauges). 12ft. capillary tubing may also be needed on mechanical temperature gauges.

4. Use included hardware to secure the Dash Pod to the top of the dashboard. Reconnect stereo wiring and reinstall stereo unit.

NOTE

Due to normal manufacturing processes you may have "flashing" (small fibers of plastic) around the pod holes. Once the gauge(s) are installed in the pod you will not be able to see the "flashing."

Auto Meter Gauge Works Three Year Limited Warranty

Gauge Works warrants to the consumer that all Auto Meter Gauge Works products will be free from defects in material and workmanship. Products that fail will be repaired or replaced at Auto Meter Gauge Works' option to the consumer, when determined by Auto Meter Gauge Works that the product failed due to defects in material or workmanship. This warranty is limited to the repair or replacement of parts in the Auto Meter Gauge Works Product and the necessary labor done by Auto Meter Gauge Works to effect the repair or replacement of the Auto Meter Gauge Works product. In no event shall this warranty exceed the original purchase price of the Auto Meter Gauge Works product nor shall Auto Meter Gauge Works be responsible for special, incidental or consequential damages or costs incurred due to the failure of this product. Warranty claims to Auto Meter Gauge Works must be transportation prepaid and accompanied with proof of purchase. This warranty applies only to the original purchaser of product and is non-transferable. Improper use or installation, accident, water damage, abuse, unauthorized repairs or alterations voids this warranty. Auto Meter Gauge Works disclaims any liability for consequential damages due to breach of any written or implied warranty on all products manufactured by Auto Meter Gauge Works. This warranty is made solely by Gauge Works with Auto Meter being the agent to contact for warranty claims. If the partnership between Auto Meter and Gauge Works dissolves, then all warranty adjustments will be covered by the Gauge Works Co.
