InVision Remote Mount Kit

For remote mounting the InVision selector knob.

What is Included:

- (1) Selector Knob Mounting Bezel
- (1) Selector Knob Mounting Bracket
- (4) Screws
- (1) Hole Plug

Recommended Tools & Supplies:

- Screwdriver set (including both flathead & Phillips)
- Wire strippers
- Wire crimpers
- Wire splice connectors for connecting wires to your vehicle harness.
- Wire coverings or zip ties for neatly organizing or bundling wires.
- Soldering iron, solder & various sizes of heat shrink tubing
- Dremel tool

Step 1, Selector Knob Removal

You can then remove the Selector Knob from the rear of the panel by removing the two T10 Torx/Phillips screws.

Step 2, Plugging The Hole

Push the supplied plug into the original Selector Knob hole from the front. This can be hot glued in from the back if feels loose.

Step 3, Panel Prep

You will need a flat panel, or section of dash, 0.06-0.125" thick, that has 1.20" x 2.30" available and is within reach of the selector knob harness. Use below dimensions as a guide to cut required opening:

Step 4, Selector Knob Installation

Install the Selector Knob making sure thread bracket over the cable before attaching the selector knob to the panel. Then secure the bracket.

SERVICE

For service send your product to AutoMeter in a well packed shipping carton. Please include a note explaining what the problem is along with your phone number. If you are sending product back for warranty adjustment, you must include a copy (or original) of your sales receipt from the place of purchase.

12 MONTH LIMITED WARRANTY

AutoMeter Products, Inc. warrants to the consumer that all AutoMeter High Performance products purchased from an Authorized AutoMeter Reseller will be free from defects in material and workmanship for a period of twelve (12) months from date of the original purchase. Products that fail within this 12 month warranty period will be repaired or replaced at AutoMeter's option, when determined by AutoMeter that the product failed due to defects in material or workmanship. This warranty is limited to the repair or replacement of parts in the AutoMeter High Performance product and the necessary labor done by AutoMeter to effect the repair or replacement of the AutoMeter High Performance product. In no event shall AutoMeter's cost to repair or replace an AutoMeter High Performance Product under this warranty exceed the original purchase price of the AutoMeter High Performance Product. Nor shall AutoMeter Products, Inc. be responsible for special, incidental or consequential damages or costs incurred due to the failure of an AutoMeter High Performance Product. This warranty applies only to the original purchaser of the AutoMeter High Performance Product and is non-transferable. This warranty also applies only to AutoMeter High Performance Products purchased from an Authorized AutoMeter Reseller. All implied warranties shall be limited in duration to the said 12 month warranty period. Breaking the instrument seal, improper use or installation, accident, water damage, abuse, unauthorized repairs or alterations voids this warranty. AutoMeter disclaims any liability for consequential damages due to the breach of any written or implied warranty on all products manufactured by AutoMeter Products, Inc. For a comprehensive listing of Un-Authorized AutoMeter Resellers please visit www.autometer.com/autometerlocator/index/unauthorized.
