8 EA. 1/2" X 1 1/4" BOLTS GR 5
4 EA. 1/2" X 1 1/2" BOLTS GR 5
12 EA. 1/2" NYLOCK NUTS
12 EA. 1/2" SAE FLAT WASHERS
2 EA. 3" X 3/8" COIL SPACERS FT410-108**

SWAY BAR AND BUMPSTOP DROP BRACKETS, AND COIL SPACERS MUST BE INSTALLED!

Remove the 4 bolts securing the sway bar mounts to the frame. Place the sway bar drop brackets in between the frame and the mounts. Using the supplied 1/2" x 1 1/4" bolts, nuts and washers, secure the mount to the spacer and the spacer to the frame.

Remove the bolts securing the bump stops to the frame. Using the supplied 1/2" x 1 1/2" bolts, nuts and washers, secure the bump stop drop bracket to the frame. Attach the bump stop to the drop bracket using the original bolt, make sure bump stop is aligned with the locating hole in the drop bracket.

To install the coil spring spacer, remove the nut securing the coil spring onto the I beam. Lift the coil spring off it's mount and slide the mount off of the I beam. Remove the second nut securing the I beam to the radius arm. Place the spacer on the I beam bolt and reinstall the nut. Tighten this nut to 200 ft./lbs. Replace the coil spring mount and the new coil spring. Reinstall the original nut and torque to 60 ft./lbs.

RETORQUE ALL NUTS, BOLTS AND LUGS AFTER 50 MILES AND PERIODICALLY THEREAFTER.

Fabtech Motorsports Suspension Products

Fabtech Motorsports warrants to the original retail purchaser who owns the vehicle on which the product was originally installed. Fabtech Motorsports does not warrant the product for finish, alterations, modifications and/or installation contrary to Fabtech Motorsports' instructions. Fabtech Motorsports suspension products are not designed nor intended to be installed on vehicles used in race applications or for racing purposes or for similar activities. (A "RACE" is defined as any contest between two or more vehicles, or any contest of one or more vehicle against the clock, whether or not such contest is for a prize). This warranty does not include coverage for police or taxi vehicles, race vehicles, or vehicles used for government or commercial purposes. Also excluded from this warranty are sales outside of the United States of America. Fabtech suspension products that increase the vehicle's ride height may greatly increase the risk of vehicle roll over. Vehicles should be operated in a safe manner at all times as not to cause a roll over or an accident resulting in injury or death. Fabtech Motorsports' obligation under this warranty is limited to the repair or replacement, at Fabtech Motorsports option of the defective product. Any and all costs of removal, installation or re-installation, freight charges, incidental or consequential damages are expressly excluded from this warranty. This warranty is expressly in lieu of all other warranties expressed or implied. This warranty shall not apply to any product that has been subject to accident, negligence, alteration, abuse or misuse. Fabtech Motorsports does not warrant products not manufactured by Fabtech Motorsports. Please see Fabtech's Jobber Price Sheet for additional conditions and warnings.
